

Ford Falcon UTE (FG)

Shock absorbers with additional protection sleeve

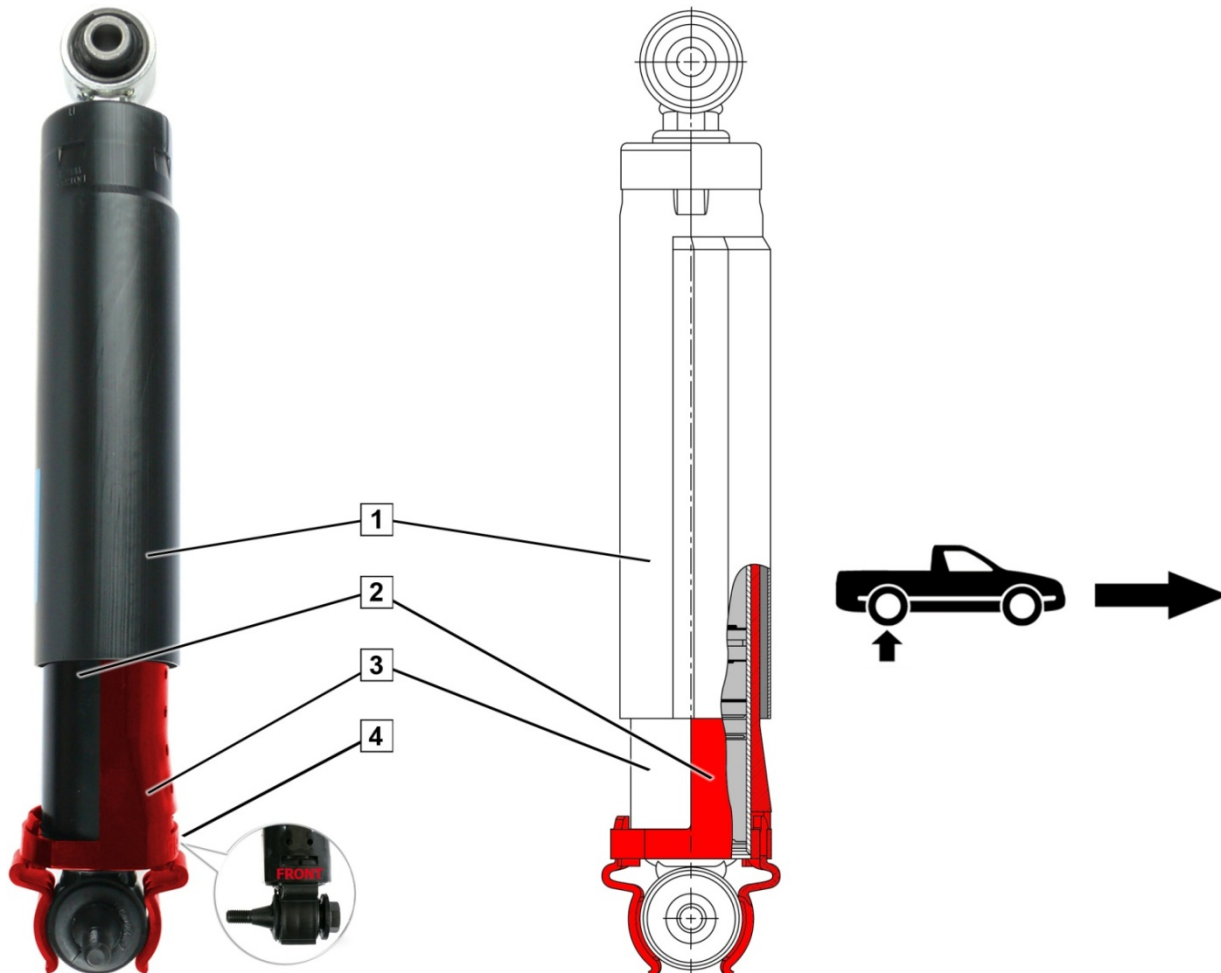

Fig. 1: Shock absorber with additional protection sleeve

- | | | | |
|---|-----------------|---|--|
| 1 | Protection tube | 2 | Additional protection sleeve → Slides under the protection tube (1). |
| 3 | Shock absorber | 4 | Marking: FRONT |

NOTICE

The additional protection sleeves (2) protect the rear axle shock absorbers (3) from damage caused by gravel and stones. Make sure to install the rear axle shock absorbers (3) with the marking FRONT (4) facing the front of the vehicle.
