

Replacement of 2433401 by 2433301

Textar is able to harmonize the references 2433401 and 2433301. It was proven that 2433301 can also cover the applications of 2433401. Therefore Textar will replace 2433401 into 2433301.

The differences between 2433401 and 2433301 are the wrap around shim in the sliding areas of the pads (see red marked areas in the picture below). All other dimensions are equal or almost equal and have no effect on the function of the brake pads. Therefore there will be no difficulties during installation and operation.

As usual, existing stock of 2433401 can be sold out without any problems.
