

Changed connection on compressor outlet

Please note :

If one of the following old OE or manufacturer references (picture 1) **03L253016K, 03L253019E, 03L253019N** or **53039700130, 53039880130** or the old version of muffler is installed (picture 3), a muffler kit **D950072** (picture 4) has to be used additionally, in order to install the new turbocharger **T915502** (picture 2) 53039880208, 03L253056!

If any of the following OE or manufacturer references are installed, the old muffler can be used: 03L253010 or 53039700169.

Please still check the old muffler for any damages or dirt contamination. If necessary, D950072 may be used as a suiting spare part.
